Interim Post
New Priest – Bridgwater Holy Trinity with Durleigh

Dear Candidate

I am delighted that you wish to know more about the Benefice of Bridgwater Holy Trinity with Durleigh. This letter needs to be read alongside the Benefice Profile, which the parishes have prepared.

We are looking to appoint an interim priest for three years. This will be an opportunity to help work with the parishes. It is hoped that the churches can grow and play their part in transforming the local communities. An interim role may help put the parishes in a position where they are able to move forward and appoint a full-time incumbent. Alternatively, it may be that an interim role leads to reorganisation and Holy Trinity and Durleigh joining with other parishes.

The larger parish, Holy Trinity, comprises the Hamp Estate and is one of our “Magnificat parishes”. It offers a strong local community and it is hoped that the churches’ engagement with the community can increase.

If you would like to further discuss the benefice, please do not hesitate to be in touch.

Yours faithfully

Simon Hill
Archdeacon of Taunton
