

DIOCESE OF
Bath & Wells

Living and telling the story of Jesus

Loving God,

We pray for all those affected by the crash of the Royal Navy helicopter.

For the lives that have been lost, we grieve.

For the families and friends left behind, we ask your compassion and your closeness.

For their colleagues, chaplains, and all who are offering care and support, we ask that you draw near and accompany them in the days, weeks and months ahead.

For everyone affected - the wider community, all involved in the life of the base, and all connected with the aircraft - we ask that you hold them in your loving hands.

Amen.
