Dear applicant

Thank you for your interest in the post of Chaplain to Hinkley Point C; we are seeking a part-time Night Chaplain and a full time day Chaplain. This is an exciting partnership appointment of the Diocese of Bath and Wells, Churches Together in Somerset and EDF. The diocese will act as the employer for the Chaplains.

We hope you find the application pack provides all the information you need in order to consider your candidature for this post. If, however, you have any further questions please initially contact Human Resources. If you would like an informal conversation about the post you are welcome to contact Richard Kelley, Chaplaincy Adviser: richard.kelley@bathwells.anglican.org.

The key dates for the appointment process are on the following page. Should you decide to apply for this post we look forward to receiving your application and wish you well. Details on how to apply are at the end of this pack. We will be praying for you and for all who are considering serving in this ministry.

Application details

Shortlisting

To ensure the fairness of the selection process, shortlisting will be based upon the information which you provide in your application and assumptions will not be made about your experience or skills. We will look for demonstrable evidence that you meet the criteria set out in the person specification. After shortlisting we strive to contact all those who have applied to advise of the outcome; if after 3 weeks from the closing date you have not heard from us, please do contact the HR team. A copy of our privacy policy for job applicants can be downloaded from our website.

Interviews

Interviews will take place at Cannington Court, Cannington TA5 2HA on Tues 28 July and Weds 29 July 2026. Further details regarding the selection process will be communicated at the time applicants are invited for interview. All candidates invited for interview will need to complete a simple security screening to be allowed into Cannington Court. The preferred candidates will be asked to meet with Rob Jordan, Construction Director of Hinkley Point C before the appointment is finalised.

Safeguarding

We are committed to the safeguarding and protection of all children, young people and adults, and the care and nurture of children within our church communities. We will carefully select, train and support all those with any responsibility within the Church, in line with Safer Recruitment principles. This means that we will:

- Ensure that our recruitment and selection processes are inclusive, fair, consistent and transparent.
- Take all reasonable steps to prevent those who might harm children or adults from taking up, positions of respect, responsibility or authority where they are trusted by others.
- Adhere to safer recruitment legislation, guidance and standards.

Further information can be found in our Safeguarding Policy available on the diocesan website.

The Diocese of Bath and Wells

The Diocese of Bath and Wells broadly encompasses the historic county of Somerset, extending to include a small part of the county of Dorset. It is a diverse region with more than 500 settlements across the county, many of them small and rural which account for 43% of the population. Although two thirds of Somerset is rural, more than half the population lives in urban areas.

The diocese loves and serves in the region of 1,000,000 people who live here through its family of 466 parishes and 182 church schools and more than 170 chaplaincies. This family works for the good of local communities in a range of practical and pastoral ways, caring for the vulnerable, supporting families and encouraging children and young people.

The Bishop of Bath and Wells has overall responsibility for the diocese. He is assisted by a suffragan bishop, the Bishop of Taunton.

There are three archdeacons in our diocese, serving the archdeaconries of Bath, Wells and Taunton. There are 160 stipendiary clergy posts, 42 self-supporting licensed clergy and 210 licensed Readers.

Everything the diocese does is underpinned by prayer and worship and we are driven by our vision that: 'In response to God's immense love for us, we seek to be God's people, living and telling the story of Jesus.' We seek to live this story as disciples of Jesus Christ in the world and to tell it, both in sharing the good news and by the way in which our lives speak about Him.

Living and telling the story of Jesus

Our vision and strategy speaks to the story of Jesus; his life, teaching and work, his death and resurrection; the story which is the context of our faith and the content of our message. In the Diocese of Bath and Wells we strive to be a growing church. We are committed to witnessing and to living out the Gospel of Jesus as we seek to transform and be at the heart of our local communities, bringing love and care for our neighbours, and service to those in need.

We are working together to achieve this by:

- Valuing and cherishing the people and resources we already have
- Developing new Christian worshipping communities
- Sharing in leadership and ministry
- Deepening and growing faith

Churches Together In Somerset (CTS)

About the roles

Hinkley Point C is the largest construction site in the UK and one of the largest in Europe. It is also a new nuclear construction site, the first in the UK for decades. The workforce currently numbers over 12,000 individuals and will increase to around 15,000 as it leaves the main construction phase and moves into mechanical and electrical installation phase (MEH).

Reactor One is anticipated to go live in 2029-30 and Reactor Two a year or so after that. Once both reactors are live HPC will provide 10% of our nation's electricity for at least the next 60 years.

HPC was the first company in UK construction to appoint a salaried Chaplain. Ewen Huffman was appointed for the care of their workforce in 2020, just before Covid struck. HPC already cared for the workforce's physical health through Hinkley Health, their medical centre, and likewise had a team of Mental Health First Aiders and Trainers. They recognised that something else was needed to care for the whole person, and so a Lead Chaplain was appointed for spiritual and pastoral care. The team has now grown to also include two salaried Chaplains and a part-time salaried night shift Chaplain. Alongside this there are five Associate Volunteer Chaplains who each offer up to a day a week. This is a ministry that has become accepted and valued and has made a significant impact across the Hinkley Point C project.

The Chaplaincy is now has now entered its next phase, particularly as the site will increasingly move to twenty-four hours a day, seven days a week. Besides the four salaried Chaplains, our five Associate (volunteer) Chaplains will continue to cover the SDC in Bridgwater (where many senior leaders work), our SPS bus service; the largest in the UK, our three Campuses and our Muslim Community. All this will continue to work alongside a team of more than 700 Mental Health First Aider (MHFA) 'buddies' and excellent agencies that individuals can be referred to for help.

More about Hinkley Point C

Set between the Quantock Hills and the North Somerset Coast, Hinkley Point C is a place of superlatives and one that inspires strong emotions. The numbers are enormous, as is the scale. It is a rapidly growing and fast changing community. Many of the contracts are short-term and a significant proportion of the employees work away from home. Caring for the mental health of the workforce is a high priority and hundreds of buddies have been trained in mental health first aid. There is also a strong awareness of spiritual health and the Chaplains play a key role in this care. Faith is part of many people, and our workforce are encouraged to bring their whole selves to work. There are enormous opportunities therefore to lead, serve and care, and to live and tell the story of God's love.

Only a small proportion of Hinkley's workforce are actually employed by EDF/NNB. Most have contracts with and are employed by other companies, who are in-turn funded by EDF/NNB. This is the model used with the salaried chaplains: they are employees of the Bath & Wells Diocesan Board of Finance (DBF) and known as 'embedded contractors'. EDF/NNB in turn finances these roles. This works extremely well, not least as the Diocese understands the spiritual nature of these positions.

Health and Safety

Those appointed will need to undertake health and safety training and pass relevant exams in order to have open access to the site. There will also be a full on-site induction.
